

Sardegna Gran Tour Regulations

Pilots allowed - Categories

All the members of any Motorcycle Club, duly enrolled for the current year, can take part in the event, providing they hold a valid driving licence, allowing them to ride the motorbike registered for the event.

Participants will be divided into two categories.

- **“On/off” category:** 70%*on dirt roads and 30%*on panoramic asphalt roads, also within reach of neo-off-roaders. Can also be used with a passenger if the driver is an expert in off-road vehicles.

*Percentages are calculated in time and not in distance

- **“All road” category:** 100% route on asphalt roads, also suitable for drivers with passengers

Motorcycles allowed

- **“On/Off” category:** for on/off, enduro, and vintage motorbikes and scooters (registered before 31/12/1999), weighing over 150 kg. (minimum weight not applicable to vintage motorbikes and femal driver)

- **“All road” category:** open to any kind of motorbike and scooter weighing over 150 kg. (minimum weight not applicable to vintage motorbikes and and femal driver).

A GPS, or alternative Navigation System able to read the tracks in GPX format, is mandatory.

Routes

The routes will run along scenic roads, suitable for big twin-cylinder bikes as well as single-cylinder bikes weighing over 150 kg, through the most interesting areas of the island from a scenic, historical and cultural viewpoint.

The departure and arrival of each stage will be at beach hotels, located in well-known Sardinian seaside towns.

The routes will be exclusively shown by GPS tracks. A GPS, or alternative Navigation System able to read the tracks in GPX format, is mandatory.

Medical assistance as well as vehicle/rider & passenger recovery service will be available along the route.
