

SWANK RALLY SARDINIA

Enduro Republic is the home of off-road riding. School, workshop, Bistrot and La Locanda, where you can eat and rest after a day on the bike. With us you'll find everything you need to get into enduro or to fuel your passion: guided tours, courses for enduro and maxi enduro bikes, and our motorally navigation school. We also run a workshop for routine and major maintenance, special setups for races or trips, and we offer long-term storage: leave your bike with us and, with a phone call, it will be ready to ride when you arrive. Below are our on-site services for the **Swank Rally di Sardegna 2026**, available individually or combinable.

GUIDED GROUP & RIDING COACHING PACKAGE

Take part in the Swank Rally with the Enduro Republic group, led by one of our certified instructors, who will provide advice on riding technique and navigation.
