Mediterranean 3

The Three Isles Adventour

Corsica, Sardinia, Sicily

Three islands, eight stages, one great adventure
15–22 May 2027

A new adventouring event will cross the heart of the Mediterranean, linking Milan, Corsica, Sardinia and Sicily on a motorcycle journey inspired by freedom, discovery and a true spirit of adventure.

The journey begins at Milan Malpensa, easily accessible for participants arriving by air. From here, riders will head to Savona for the first ferry crossing and the start of an eight-stage itinerary across three extraordinary islands.

From the mountains and trails of Corsica to the wild landscapes of Sardinia, then on to the roads, volcanoes and archaeological treasures of Sicily: three distinctive islands to discover on your own motorcycle.

Eight stages. Three islands. Two routes.

The itinerary will take in some of the most distinctive natural and cultural sites on the three islands: the Désert des Agriates in Corsica, the nuragic complex of Barumini and the knife museum in Sardinia, and the temples and major archaeological sites of Sicily.

A journey to enjoy with the engine switched off too, through the history, culture and landscapes of the Mediterranean.

02 / THE EXPERIENCE

Routes and participation options

Each participant can choose the route and participation package that best suits their approach to the journey.

The routes

Road

An entirely tarmac route along some of the most spectacular scenic roads on the three islands.

Adventour

A route made up of approximately 50% tarmac roads and 50% unpaved tracks, for riders wishing to embrace the full spirit of large adventure motorcycles.

Participation categories

Heroes — Independent adventure

Ride without support, carrying your luggage and everything you need on your motorcycle. Each participant chooses and manages their own stops and accommodation; ferry bookings are handled by the organisers.

Adventour — The comfort of hotels

Ferry crossings, hotel accommodation and luggage transport are included in the entry fee and arranged by the organisers, for a comfortable journey.

Your pace, your adventure

Mediterranean 3 will not be a race against the clock. Each participant can ride at their own pace and plan their stops, while respecting the timings and meeting points set by the organisers.

The organisers will announce the stage locations where staff and Adventour participants will be based.

Heroes participants may stay in the same locations, choosing their preferred accommodation, or follow their own schedule of stops and rejoin the group at the ferry ports at the required times.

Private third-party support or luggage transport services will not be permitted. For Heroes participants, self-sufficiency, preparation and adaptability will be an integral part of the experience.
